Dear Mr. Jones:

Enclosed is a copy of the letter from the State of Utah, Division of Oil, Gas and Mining, informing this office that your notices of intent, UT-057-HMRA-90-8N through 12N, have been reviewed and found to meet their requirements. The Division does have concerns as to how much cumulative disturbance will result from your operations in this area and they may conduct an onsite inspection. If you have questions or if we may be of assistance, please let us know.

Thank you for helping us to properly manage the public lands.

Sincerely,
